# NEW NORMAL

## Step One

We have always had an open-door policy at Princes House, but for now, when you get to Princes House you will find a hand sanitiser in our lobby to use then make your way up to the first floor where you'll find my beautiful floral door in front of you!

## Step Two

The fun really begins when you try the dresses on! To make it as safe as possible for everyone, please make sure you all have a mask with you for when we're in close contact.

## Star Guests

I have always believed it's a lot of fun to invite all your gang to your bridal appointment but for now, I have to restrict it to three star guests in order to stay safe and social distance. BUT we won't let the restrictions stop one of the most magical moments in any girl's life being shared with her closest friends & family, we can video call them!

Despite the challenging ways of working – we  
WILL find THE ONE!

With love Elaine xx
